Предисловие

В настоящем учебно-методическом пособии обобщен многолетний опыт преподавания английского языка как основной специальности для студентов английского отделения факультета иностранных языков Северо-Осетинского государственного университета им. К. Л. Хетагурова. Пособие разработано в дополнение к учебнику «Практический курс английского языка. 4 курс» под редакцией В.Д.Аракина и предназначено для углубления и закрепления знаний студентов, полученных в результате освоения языкового материала, для дальнейшего развития навыков устной и письменной речи, основанных на овладении речевыми образцами, содержащими новые лексические и грамматические явления.

Основной целью пособия является развитие коммуникативных навыков в таких видах речевой деятельности, как говорение, чтение и письмо, а также формирование навыков использования изучаемого языка в качестве средства коммуникации в любых ситуациях устного и письменного общения.

Пособие состоит из предисловия, восьми основных разделов, каждый из которых содержит 12 упражнений, предназначенных для углубления и закрепления лексического и грамматического материала, представленного в соответствующих уроках учебника В.Д. Аракина, а также дополнительного раздела, содержащего задания для повторения пройденного материала и проверки качества полученных знаний.

Пособие можно систематически использовать на практических занятиях по английскому языку, так как оно построено по принципу постепенного перехода от простого к сложному и обеспечивает повторяемость пройденного материала. При составлении пособия авторы стремились использовать лексический и грамматический материал, отражающий изменения и тенденции в современном английском языке.
